Together 2 Goal.

AMGA Foundation National Diabetes Campaign

2018 National Day of Action Wrap Report

Purpose

National Day of Action aims to mobilize medical groups and health systems across the country to take action to **improve care** for people living with **diabetes**.

This November, we inspired action through *T2G Talk & Taste* events nationwide!

T2G Talk & Taste

Meet with the diabetes team over a healthy breakfast or lunch

Watch a twominute T2G video on fine-tuning diabetes office visits

Discuss the video's application with the team and identify ways to improve

Recognize highperformers among the team for their hard work

More than 200 healthcare professionals from nearly 30 groups came together to take action to improve diabetes care!

Nationwide Reach

Participants

UPMC Susquehanna

Privia Medical Group – North Texas

"We discovered that using language patients understand can be paired well with collaborating with patients on goals."

Ballad Health Medical Associates

"While our group talks daily, we do not always have the **time to**sit down, enjoy a meal, and
strategize. That was both unique and fun."

Baton Rouge Clinic

"We had small group sessions, by pods, and each group was led by a physician, with most of the physicians from the pod in attendance. This demonstrated to the staff the importance of teamwork."

Coastal Carolina Health Care, P.A.

"These were good discussion points, which everyone could relate to and prompted actual 'problem' situations."

AMGA In-Office Activity

AMGA staff viewed the T2G provider video and enjoyed a healthy lunch.
